## FRIENDS OF THE SUMMIT DD

Ohio is home to one of the finest developmental disabilities support systems in the world. Summit County is at the forefront of this system, currently serving more than 4,000 people with disabilities and their families. It is only through ongoing public support that the board will be able to continue delivering education, work programs, residential care, early intervention, recreation programs and more for children and adults with developmental disabilities. The Friends of the Summit DD is designed for organizations and individuals that choose to be at the forefront of ensuring that the services of the Summit DD Board continue to be available to all that need them. People with disabilities that rely on the agency are relying on Friends of Summit DD Support to ensure that the county board services remain well funded and strong.

## Who are

# THE FRIENDS OF THE SUMMIT DD BOARD

The County of Summit Board of Developmental Disabilities Board's largest source of funding is local levy funds provided through a single ballot issue. While the board also draws revenues from other sources including Medicaid and grants, these levy funds, provided by the people of Summit County, are critical to care for and educate the county's citizens with developmental disabilities. In 2011, the board must go back to the voters to request the funds needed to deliver services and supports. In order to maintain this support, it is imperative that the people of Summit County be made aware of the needs of people with developmental disabilities. 100% of the funds collected for the Friends of Summit DD will be used to fund awareness activities regarding the needs of people with developmental disabilities and to promote the passage of ballot issues that financially support the County of Summit Developmental Disabilities Board. All funds go directly to Friends of the Summit DD, 89 E. Howe Road, Tallmadge, Ohio 44278, Tom Whitfield Treasurer. This Political Action Committee is comprised completely of volunteers and is registered with the Summit County Board of Elections. What this means is that no funds go to pay salaries or operating expenses. Funds are spent on postage, electronic media, yard signs, outdoor billboards and other promotional expenses required to educate the public about the work of the Summit DD Board.
